

# SSA Swim School COVID GUIDANCE

While things look a little different these days, SSA is committed to our mission. We will take extra precautions to keep our swimmers, families and staff safe! Please read on for the changes we've implemented to create a safe environment and a Splashin' awesome experience for everyone in our facility!

## GUESTS

- **HEALTH SCREENING:** All families entering the facility must complete this upon arrival. Anyone experiencing any symptoms must stay home.
- **PERSONAL PROTECTIVE EQUIPMENT:** We appreciate all members and swimmers wearing face masks in our facility. For safety reasons, children will not wear face masks while in the swimming pool area.
- **LIMITED OCCUPANCY:** Please limit to one caregiver per child. No one is permitted in the pool area during lessons. Parents/Guardians will be asked to remain in the lobby area during the lessons.
- **BE SWIM-READY:** Please arrive no earlier than 5 minutes before your lesson. Swimmers must come dressed for lessons as changing rooms will not be available prior to swimming.
- **EFFICIENT EXIT:** Families will kindly need to promptly exit the facility when lessons are finished.

## SSA TEAM

- **TEMPERATURE SCANS:** All staff will have temperatures taken upon arrival for shifts. Staff members who are not feeling well will be asked to remain at home.
- **HEALTH SCREENING:** All staff entering the facility must complete this upon to their arrival. Anyone experiencing any symptoms or with a fever must stay home.
- **PERSONAL PROTECTION EQUIPMENT:** Staff will wear protective gear where applicable. This will include face masks when out of the water and face shields where applicable while in the water teaching.

## FACILITY

- **SAFETY SIGNAGE:** Decals throughout the facility will share helpful reminders and control the flow of traffic through the school.
- **ENHANCED SANITIZATION:** We pride ourselves on a clean and safe facility. We will increase our cleaning procedures and pool sanitization schedule.
- **EFFICIENT AIR CIRCULATION:** Our pool and HVAC systems are programmed to introduce fresh air into the facility at a higher rate than traditional systems.
- **POST-LESSON SHOWERS AND CHANGING ROOMS:** We are asking families to change quickly in the restrooms after lessons during the colder months. During the warmer months, please bring an extra towel and avoid changing after the lesson.

## SWIMMING

- **SWIM LESSONS AND SWIM TEAM:** Swimmers are not permitted to wear masks in the pool but will be spaced appropriately when necessary. Additionally, each swimmer will be provided their own set of clean tools to use during their lesson.
- **PARTIES:** At this time, we are allowing parties of 25 or less people.
- **POOL CHEMISTRY:** Our state-of-the-art chemical monitoring and control system keeps our pool safe and clean.
